2023/24 ACLS One Day Training Courses

UW Anesthesiology & Pain Medicine

The Department of Anesthesiology & Pain Medicine at the University of Washington provides several courses in Advanced Cardiac Life Support (ACLS) Training to UW staff and the general public.

2023/24 ACLS 1-Day Courses

For Anesthesia Providers ONLY

Classroom & Simulation-centered learning sessions on ACLS algorithms & megacode testing.

Goal: AHA ACLS credentialing

For: Community anesthesiologists and UW anesthesia staff (priority to UW Anesthesia residents)

Place: WISH Simulation Center

Dec 2nd, 2023: UW Montlake

March 30th, 2024: Harborview

Time: Dec 2, 2023, 8:00a — 4:00p or 8:00a—11:00a

Full ACLS course or Megacode Testing TBD

OR

March 30, 2024, 8:00a - 4:00p or 8:00a—11:00a

Full ACLS course or Megacode Testing TBD

Cost: $250 fee for community anesthesiologists (including VM)
$150 fee for UW Faculty , non-ACGME Fellows & CRNAs.

Free to UW Anesthesia residents

Enroll: *To enroll, return the course application form by Nov 1, 2023 for the December course or Feb 29, 2024 for the March course.*

Anesoft ACLS Simulator

Computer-based learning tool offering ECG rhythm recognition, real-time megacode simulation & the ability to author your own case scenarios.

Goal: Practice for ACLS Written Exam
Non-AHA ACLS credentialing

For: Department of Anesthesiology & Pain Medicine

Faculty

Department of Cardiology Faculty

UW MDs & APPs taking Moderate Sedation Training

Place: Available on Department of Anesthesiology & Pain Medicine website through the LMS

Time: At your convenience

Cost: *UW Staff* FREE

Enroll:

For the UW Staff & Students:

Browse to ***www.bit.ly/anes-sim***
for instructions on how to access the software.

2023/24 ACLS One-Day Classroom Courses

Classroom/simulation-centered learning sessions for CPR, Automated External Defibrillator (AED), ACLS algorithms and megacode practice with manikins, rhythm simulators and monitors/defibrillators. Written test & megacode testing.

For: **Community anesthesiologists and UW anesthesia staff ONLY**
Note: UW Anesthesiology Residents must have ACLS credentials by the end of their first year of clinical anesthesia (CA-1 / R2) and are given priority in enrollment.

Place: **WISH** University of Washington or Harborview. Location announced to enrollees.

Time: Dec 2, 2023, 8:00am—4:00pm or 8:00—11:00a
OR March 30, 2024, 8:00am—4:00pm or 8:00—11:00a

Full course VS. Megacode Testing after Heartcode online course TBD

Cost: FREE to UWAMC Anesthesia Residents, $150 for UW Faculty, non-ACGME Fellows & CRNAs
$250 for community anesthesiologists (including VM)

Full Course Schedule:

Algorithm Review:

Time		
8:00—8:30am	**Breakfast(provided)**	
8:30—9:45am	**Review Lectures**	*1. ACLS course overview* *4. Airway Management* *7. Megacode* *2. Systematic Approach* *5. Acute Coronary Syndromes* *3. High-quality BLS* *6. Stroke*
9:45—10:00am	**Coffee (provided)**	

Algorithm Practice and Testing:

Time		
10:00a-12:30p	**Practice Sessions**	*Participants will rotate through 4 stations. One station is for BLS practice and testing, and a chance to play with an AED. The other stations will be for algorithm and megacode practice with manikins, rhythm simulators and monitors/defibrillators.*
12:30p-1:00p	**Lunch (provided)**	
1:00p-4:00p	**Examination Session**	*Megacode testing & written test*
4:00p	**Adjourn**	

ACLS One-Day Classroom Course Application Form

ACLS course I want to take:

☐ **ACLS 1–Day Course** *(December 2, 2023)*
ENROLLMENT DEADLINE: NOVEMBER 1, 2023

☐ **ACLS 1–Day Course** *(March 30, 2024)*
ENROLLMENT DEADLINE: FEBRUARY 29, 2024

I am... *UW Anesthesia Clinical Staff*

☐ *Attending*   ☐ *Resident*
☐ *Fellow*   ☐ *CRNA*

☐ Other community physician / practitioner
Care facility: _____

Community Anesthesia Provider (UW Faculty/CRNAs): Make your $250 ($150) check payable to "University of Washington". Write "ACLS" on the check's memo line.
